COVERING LETTER

Dear Sir / Madam,

Apply for a web or software developer intern opportunity

I'm Lahiru Pramod De Silva and I live in Balapitiya. I am writing this letter in regard to the available opportunity for an internship. I am an undergraduate student of Higher National Diploma in Information Technology (HNDIT - NVQ level 6) at SLIATE.

I am willing to become a web or software developer in your company as an intern to complete my six months implant training period and use my IT knowledge and skills for practical usage.

I hereby attached my resume & training letter for your reference.

I believe I will get a hearing from you at the earliest and your kind support shall be highly obliged.

Sincerely,

Lahiru Pramod De Silva.

Lahiru
Pramod De Silva
